

Budget template

MASTER'S PROGRAMME abroad

NOTE This template helps applicants present the costs and financing of a master's programme abroad in a clear format. All amounts should be entered in CHF. The requested contribution is shown separately below so that the funding gap before the foundation contribution remains visible. When applying for funding, please indicate which other foundations you have applied to. Leave any items that are not relevant to your application blank.

INSTRUCTIONS FOR COMPLETING THE FORM

Enter amounts for one semester in CHF. Multiply by the number of semesters = total per position.
